**CRITERION I – CURRICULAR ASPECTS**

**1.1 – Curriculum Planning and Implementation**

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Our college is affiliated to Guru Nanak Dev University, Amritsar. The college is running regular B.Ed. programme, the curriculum of which is designed by the University. The college has an effective Curriculum delivery through systematic and transparent mechanisms. The brochure of the college mentions the semester

specific syllabus, code of conduct for the students, evaluation procedure and the weight-age of marks for B.Ed programme. It also includes academic calendar of activities for the session based on GNDU Calendar. All teachers attend the meetings conducted by the Principal to allocate workload, Departmental activities, review of syllabus covered and conducting house exams. The subjects are allotted to the faculty after careful consideration of the qualification, subject specialisation and experience. Orientation Programme for B.Ed course is conducted before the commencement of the classroom teaching. Students are actively involved as office bearers and members in various clubs, cells and committees of the college. Conventional classroom teaching is blended with reasonable use of ICT to make the teaching-learning process more learner-centric. Classroom teaching is supplemented with seminars, workshops, special lectures, group discussions, tutorials, poster presentation by the students, projects, educational tours, field trips and industrial visits for effective delivery of curriculum, which are done in a planned manner. The record of each and every activity is maintained by the teachers. The College Library provides teachers and students with necessary learning resources for effective delivery of curriculum. College library has subscription of research journals for post graduate students. E-books are also available in the library and user name and passwords are provided to teachers and students. All Internal Examinations like class tests, unit tests and house tests are conducted. Record of the regular attendance, mark lists and progress of the students are maintained and preserved by the respective teachers on their registers. Students are sent to various approved schools of Kapurthala city for 6 months in third semester.

Workshops on lesson planning, micro teaching and communication and employability skills are conducted during the pre-teaching phase, before sending the students for practice teaching and internship. Practice sessions for writing, checking and correction of lesson plans are held. The teacher educators provide relevant training in the construction of Time Table, Achievement tests and blue prints etc. They are orientated with organization of morning assemblies, career oriented talks and co-curricular activities.

Feedback on curriculum is also collected from the students of the college at the end of each academic session through students' Feedback Proforma. There is also provision of giving feedback and suggestions through the suggestion box.

In alumni meetings, new methodology and curriculum are discussed and suggestions are invited from the old students to bring necessary changes in the existing curriculum. The college encourages faculty members to attend Orientation/Refresher courses, webinars, faculty development programmes, workshops and present papers in seminars conducted by the affiliating and other Universities for acquiring necessary skills for effective delivery of the curriculum.

### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>The college has well planned mechanism to seek informal feedback from the students, teachers, employers and alumni with the reference to the curriculum. Several ways are adopted to identify the barriers to student learning like complaint, suggestion box, student feedback proforma and feedback by alumni. Students are free to drop their complaints/ suggestions in the respective boxes. Feedback from the students is being collected regarding teaching, learning and evaluation of the curriculum. Feedback Proforma is given to the students after the completion of the course and which they have to fill confidentially. The analysis from the feedback is used to review and identify the areas for improvement. From the school heads and teachers of the practicing schools who supervise the pupil-teachers of the college during their stay in the school also give the feedback about the performance of the pupil-teachers. The faculty members of other colleges who are appointed as external examiners</p>

for the practical exams are also encouraged to give feedback regarding the course content and training. Alumni association of the college arranges meetings from time to time to get feedback from old students for monitoring academic programmes and student services. Feedback from staff members and class representatives is taken from time to time to discuss planning and incorporation of their ideas in the curriculum. The problems so identified are communicated to feedback committee working under the auspices of IQAC. Feedback committee works on the problems with the help of higher authorities with a commitment to provide conducive environment, better infrastructure, access to technology and ensuring teacher quality.

#### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The institution has effective mentoring arrangements in all tutorial groups with 18-22 students in each group. These are formed under the mentorship of teacher-educators to reach out all the students. There is a special provision of tutorial period in the college time table where close interaction take place and efforts are directed to sort out the problems of students in academic, co-curricular and personal field. They are encouraged to participate in various activities of the college and become active members in the college functioning. The teacher educators make an effort to improve study skills and provide training in time and stress management. Individual counselling and telephonic assistance is offered to the students if required to solve problems pertaining to personal, family and academic life. When required, the family members of the student teachers are also called for counselling. Tutorial in-charges update the principal and the rest of the teacher educators about any student requiring special help so that any significant problem or issue concerning the student teacher can be identified and tackled in a positive and beneficial manner. Proper guidance is provided to nurture the hidden talent of the students. Along with the tutorial system, college has established Guidance and Counseling Cell. This cell functions to promote better adjustment of students in various fields to life. Students are provided guidance in:

Personal Field: Students facing any kind of stress in their personal lives seek guidance from expert teachers. Complete secrecy is maintained to gain the confidence of the students. Guidance is provided in matters related to family problems, peer group problems and in self-adjustment. Educational Field: Guidance is extended to solve the problems of students in education. Their learning problems, problems related to concentration, understanding and attempting the answers are dealt with great concern. Difficulties in particular subjects or the topics are taken up in detail by the concerned teachers. They are provided guidance for further higher studies and courses. Vocational Field: As most of our students are willing to opt for a job after completing B. Ed., they are provided the required information of Job vacancies at various places, filling the forms, preparing a resume, attending the interview, entering a job and gaining new heights of success. The teachers identify advanced and slow learners are identified on the basis of their performance in class tests and house examination. They are also identified on the basis of their active participation, involvement and performance in the class room. The following teaching strategies are adopted for advanced learners: Seminar Method: Advanced learners are given units for self-study and are given opportunity to teach the peers through seminar method. Discussion Method: The content is taught using the discussion method so that students get an opportunity to present their views on the topic. Debates: Topics which can be debated upon are taught using the debate method. In the process of arguments and defending, the students learn the content. Co-operative Learning: Topics which are easy to understand are taught through co-operative learning. The students with academic impediment are taken special care of after identification. The following teaching strategies are adopted for student teachers with academic impediment: Remedial classes: Remedial Teaching is meant for slow learners for the upliftment of their academic performance. Tutorial Groups: Problems related to difficult topics or other concerns are tackled in the tutorial groups Mentoring: Slow learners in the class are identified and teacher educators as well as advanced learners are assigned as mentors for the low academic?achievers. Regular tests are organized for feedback and improvement. Study Circle: During the study circle the advanced learners study and help the low academic achievers by guiding and sharing notes and solving queries. The institution strives not only for academic excellence but also to lead the students to develop their hidden talents and abilities through a series of extra-curricular activities including sports and games. Such activities definitely provide positive experience to the students. Different Clubs and Cells of the institution organize a number of extra-curricular activities such as Inter-House Competitions, Talent Hunt, Seminar, Workshop, Exhibitions, Community Activities etc. In addition to above, the college has established Placement Cell to keep the track of the job avenue and vacancies at various places about which students are provided information from time to time.

### 2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institution has adopted a system which emphasis on continuous internal evaluation for assessment of students' performance as per regulations of GNDU. In each semester two internal exams are conducted i.e. Unit Test and House Exams. Internal assessment is based on unit test, house exam, seminars, assignment, field work, attendance etc. Field work is evaluated on the basis of written report and viva voce. Attendance of each student is analyzed during each semester to determine their involvement in classroom activities. The cumulative records of the assessment are maintained. Participation and achievement in co-scholastic aspect are also considered for performance evaluation. The IQAC also provides suggestions on time to time for further improvement. In addition to above following are the other initiatives: • Diagnostic Approach and Remedial Teaching for academically weak students • Enrichment Material to Meritorious student • Preparation of answer keys • Execution of Supervised Class Tests • Provision of supplementary examination for absentees and failures • Preparation of a teacher wise report comparing the pass percentage of university result with that of college result in each subject. The report is submitted to management every year for its perusal

### 2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Before the commencement of the academic session, the academic committee of the institution prepares and publishes Academic Calendar containing the relevant information regarding teaching learning schedule like working days, various events to be organized, holidays, dates of internal examination etc. The institution updated it every year with reference to the university calendar. Both teachers and students consider it carefully. Teachers plan the curricular and co-curricular activities. The evaluation of students on the basis of internal examination is an integral part of the teaching learning process. In this concern, examination committee arranged for the smooth conducting of examination as per the prescribed schedule. Students are informed in advance about syllabus along with internal evaluation system, its objectives and paper pattern. The institution displays all the circulars regarding examination on the notice board time to time. Remedial classes for slow learners are also planned. Regular class tests are also initiated by respective subject teachers.

Students are continuously engaged in the teaching learning process and their personal and collective responsibility is encouraged. College has stressed upon the need for value-based education. Utmost care has been taken to help the students imbibe the values through curricular, co-curricular and extracurricular activities. The emphasis on soft skill development has enabled the students to tackle various issues which are commonly faced in their daily life. Students passing out of this institution have incorporated values as their guiding principles in life. Students have imbibed the spirit of nationalism, brotherhood, scientific outlook and are compassionate towards the needy. They appreciate the dignity of labour. Our endeavors and thrust on holistic education with emphasis on value education and skill development has proved to be very useful for the institution.
